* **Note:** NYSERDA is offering up to 50% reimbursement (capped at \$600 per certification and \$6,000 per individual) of the costs of exams for many energy efficiency-related certifications to individuals who earn a covered certification. This offer is limited and will end when available funding is exhausted or at the discretion of NYSERDA. Contact the AEA Training Department at traininginfo@aea.us.org or NYSERDA for additional information.
